

# Committee Sign Up

## Wisconsin Land Title Association

In 1906 a group of abstracters met to form the WLTA.

The association celebrated its 100th anniversary in 2006 and remains committed to its mission of uniting members of the title industry to work on common issues and goals.

Are you interested in getting more involved?

Take a minute to look at the list of WLTA Committees below and fill out the form and return to the Association Office. Volunteer today....and be a voice for tomorrow
