"County Served" Listings

What is a "County Served Listing"? It is a WLTA listing for your company in counties that you do business in but do not have a physical branch in. These listings appear on the WLTA website which is accessible to the public.

Cost per listing is \$150.

List as many as you choose. Make additional copies of this page as necessary.
Transfer \$150/listing to the main dues invoice in the "County Served" section and add amount due to the revised total.
