

Opening Day was yesterday for the Brewers and Opening Night Reception for the WLTA Spring Conference is less than one week away at the North Lake Bear Trap!

The North Lake Bear Trap is a cozy little pub along the Oconomowoc River in North Lake. It's the perfect place to mix and mingle both inside and out while getting to know some of our newer members.

What to wear: Come casual! Jeans are more than appropriate; they are encouraged! Come sporting your favorite baseball team logo or hat and remember to bring a jacket, sweater or sweatshirt if you want to enjoy either of the outside patios. Wear comfortable shoes! We will have a tent with heaters in the Beer Garden to keep you warm for those that would prefer to be outside in Spring.

What to bring: In keeping with WLTA tradition, we will be doing a few different fundraisers so if you'd like to support the WLTA's charity of choice for this event, Gunnar's Wheels, please bring cash and help us raise money for this amazing cause. You might even want to gamble a little. The Bear Trap has pull tabs, video gaming and of course, Shake of the Day!

What's for dinner: Since the Brewer's will be taking on the Cardinals on all 6 big screen TVs, we've opted for a tailgate style dinner including hamburgers, pulled pork sliders and Mike's famous homemade chips. We will also provide a salad bar for the lighter fare. If you'd prefer to order off the menu (at your cost), you are welcome to do so. The menu does include a grilled chicken option and a variety of appetizers including Edamame and hand rolled mozzarella sticks. The full kitchen will be open and the Bear Trap accepts all major credit cards.

What's on the drink menu: WLTA will provide tap and bottled beers and well as a selection of house and bottled wines to choose from. The Bear Trap has a full bar and they're known for "made from scratch" Old Fashioneds and "made to order" Bloody Mary's with their signature sweet & spicy pickles, as well as a seasonal infused Vodka special cocktail (rumor has it that April is usually a pineapple variety)!

What to expect: An amazing evening of music! Musician Phil Norby, a local favorite, will put on a great show. He sings a variety of music from country to classic rock; all are songs that you're sure to know. We might even have a few local musicians that join in the show because anything can happen in North Lake!!
